

CATERPILLAR NEWS June 2018

Please remember your monthly wipe contributions. As the weather starts to warm, it's a good time to check cubbies for size and season appropriate extra clothes. Also apply sunscreen at home and bring some to school to apply later in the day.

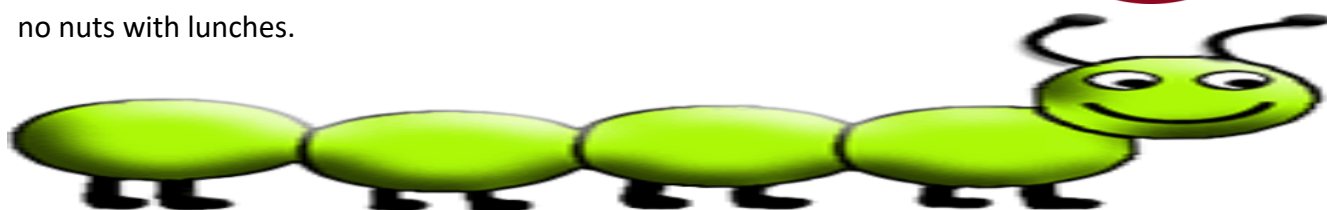

Label all lunch items and cups. This helps avoid any confusion. Also, remember to check your child's mailbox. They are located right beside the cubbies in the hallway.

We have a child with nut allergies, please no nuts with lunches.

BOOKS we are reading:

- The rainbow fish
- Ten little fish
- Who's in the ocean?

**ELEANOR
18TH**

Our silent auction happens in September. More information will be coming soon. We look for donations of gift cards, new items, toys or anything someone would like to bid on. Thank you.
